## • ABOUT ME

My name is Nurul Isnaini. People usually call me Ms Isna. I am 36 years old. I am from East Java, but I stay in Lampung for a job. I am an English teacher of SMAN 1 Negara Batin, Way Kanan - Lampung. I've been a teacher for 15 years.

I define myself as a lifelong learner. No matter how old I am and wherever I am, doing self-improvement is a must. Everyone is a teacher, everyone is a student, and everywhere is a school.
